A+ Certification: When you have verified that you have completed all internal work and training included in our recommendations, *AccessAbility Advantage* will provide 'A+' certification for the AODA Standard you meet. Our mark of certification can be posted in your offices and on your website.

AODA Compliance Strategy

AccessAbility Advantage will

- facilitate a “discovery” meeting, approximately three hours in length, with key individuals to gain a sense of your business, and assess your current state of compliance with the new standards;
- recommend a **clear, customized action plan** based on the information gathered during the meeting, including **timelines** and **cost estimates** designed to **achieve your accessibility goals**;
- include in the action plan, recommendations related to assigning accountability, a policy review (to integrate accessibility), website audit, facility audit, training and more; and
- design the action plan so that you can **implement** it in **stages within your budget** and **comply with the regulations on deadline**.

Customer Service Compliance Support

AccessAbility Advantage will

- map the customer experience including all service entry points;
- **evaluate** existing **policies, procedures** and **practices** for accessibility;
- evaluate **staff training** requirements;
- collaborate with our Client to
 - recommend changes to practices including service delivered face to face and by telephone; and
 - support development of customer service policies and procedures (stand alone or integrated with existing);
- provide **Accessible Customer Service training**; and
- support **audit-proof compliance reporting**.

For businesses that have started to implement changes to comply with the Customer Service Standard, we can **review progress** to **confirm** the appropriateness of **solutions** or **make recommendations** for **improvement** to **ensure compliance**. This review is **part of all customized training programs**.

When our Client has verified that they have completed all internal work and training included in our recommendations, *AccessAbility Advantage* will provide '**A+**' **certification** for Accessible Customer Service.

Accessible Customer Service Training

AccessAbility Advantage approaches all training from the perspective of **adult learners**. We recognize that training sessions need to be interactive, clear and concise and enjoyable, so that **participants retain what they learn**. We pride ourselves on our ability to expand people's horizons and awareness of the *abilities* of people with disabilities.

AccessAbility Advantage offers customized Accessible Customer Service Training for

- **Decision-makers**, Senior Management, Boards of Directors;
- **Staff** (can be customized by role); and
- In-house Trainers (**train-the-trainer**).

Accessible Customer Service E-Learning

AccessAbility Advantage provides **customized E-Learning** programs that can

- augment face-to-face programs; or
 - stand alone, containing all of an organization's specific information so that no additional face-to-face program is required.
-

Information and Communication Compliance Support

AccessAbility Advantage will

- identify all electronic service delivery media;
- identify all print material shared with customers;
- **evaluate** any **websites, online content, E-mail practices** and **print material** for accessibility; and
- provide **recommendations** to **improve accessibility** with consideration for
 - content / language;
 - formatting;
 - programming (website and online forms); and
 - delivery processes (overlaps with Customer Service).
- support audit-proof compliance reporting.

When our Client has verified that they have completed all internal work and training included in our recommendations, *AccessAbility Advantage* will provide '**A+**' **certification** for Accessible Information and Communication.

Accessibility Advantage also provides **training on creating accessible electronic documents**.

Employment Policy and Procedure Compliance Support

AccessAbility Advantage will

- evaluate existing **employment policies, procedures** and **practices** for accessibility;
- evaluate Client's employee pool requirements;
- collaborate with our Client to
 - recommend changes to employment practices; and
 - support development of, or changes to, employment policies and procedures (stand alone or integrated with existing).
- support **audit-proof compliance reporting**.

When our Client has verified that they have completed all internal work included in our recommendations, *AccessAbility Advantage* will provide '**A+**' **certification** for Accessible Employment Policy and Procedures.

Accessible Employment Training

Targeted to HR professionals training will focus on

- **Supporting accessible employment policy and procedure;**
- Creating **summaries of essential duties of a job;**
- **Supporting employees with disabilities;**
- Creating **accommodation plans**, including addressing performance management, career development and redeployment; and
- Creating **return-to-work procedures** and **work place evaluations**.

Accommodation Support

Upon request, *AccessAbility Advantage* provides accommodation support.

Built Environment Accessibility Planning

AccessAbility Advantage will

- work with our Client to identify facilities to be audited and the standard to audit against;
- **audit facilities**; and
- provide a report with **prioritized recommendations** and **cost estimates** (optional).

AccessAbility Advantage also provides **construction design** and **management** (tendering, oversight, etc.).

When our Client has verified that they have completed all internal work included in our recommendations, *AccessAbility Advantage* will provide '**A+**' **certification** for Accessible Built Environment.
